**Jack Rudman : Paralegal Aide(Passbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Aide(Passbooks):

2 of 2 people found the following review helpful. paralegal study guideBy LaulynThis product was published in 2004 and there have been so many changes in the laws that I feel the legal information is outdated. If you need practice with reading comprehension and vocabulary then the guide is adequate.1 of 1 people found the following review helpful. HorribleBy S. MillerThere were many typos in the book. Some of the questions didn't make any sense. I will be sending a letter to the publisher about the poor quality of writing in this book.
