**Scott Hatch, Lisa Hatch : Paralegal Career For Dummies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Career For Dummies:

1 of 1 people found the following review helpful. For Dummies? NahBy Andy KeithThis is a good guide for all those in the legal profession who want to know some of the details of the profession, as well as some great insights into how law should be approached. It was quite interesting. As far as practical, I'm not sure it is the best of the "for Dummies" books, but still some useful information is in there!2 of 2 people found the following review helpful. This was easy to read and very helpfulBy KayThis was easy to read and very helpful. I appreciate how the information helped me understand concepts and just wish at times things were more thorough.0 of 0 people found the following review helpful. ... interview a week after updating my resume to look like the one shown in this bookBy KatGot a job interview a week after updating my resume to look like the one shown in this book. I ended up taking the job for another company that I interviewed for a week previously, but still good to know that something good came from taking this books advice!
