Pat Medina : Paralegal Discovery: Procedures and Forms (Paralegal Law Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Discovery: Procedures and Forms (Paralegal Law Library):

From the PublisherAn expansive look at the paralegal's role in discovery leading up to litigation. Contains procedure checklists, drafting tips, sample arguments and model forms. Learn aggressive discovery techniques and tactical approaches in drafting discovery documents, document production, depositions, interrogatories and requests for admission. New sections include preparing pretrial discoverys, arbitration, large case document management and updates to the Federal Rules of Civil Procedure.
