**Dorien Smith McClellan : Paralegal Drafting Guide (Paralegal Law Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Drafting Guide (Paralegal Law Library):

From the PublisherA step-by-step guide for drafting civil litigation documents. Instructs the user as to the preparation of pleadings from case initiation to settlement as well as tips on avoiding pitfalls. Also provides explanations on each step of a pleading as well as lists the needed information for particular pleadings.
