Perfect!By RVoreniusThis was amazing: I got the book in earlier than I expected, the price was ridiculously convenient for the amount of knowledge and the impeccable conditions!! Thanks!! Highly recommended!0 of 1 people found the following review helpful. not what I ordered.By MartiWas the condensed version (not mentioned) and was missing the last half of the book. Had to order another to be shipped overnight.2 of 5 people found the following review helpful. Good book, Great shapeBy L. SawyerI ordered paralegal professinals for my intro to paralegals class. the seller posted the book as a like new item. I received the book in 4-5 days and it was in great condition, no tears, or highlighting. When I need another book if they have it for sale, I will definitely get it from them.

A strong foundation is the start of a great career. Taking this to heart, this award-winning author team has designed *The Paralegal Professional: The Essentials, 2e* to build the procedural knowledge and real-world skills needed for today's paralegal. The essentials version places an emphasis on the profession and skills. A companion to *The Paralegal Professional, 2e*, it is known for its visual appeal, quality hands-on skills activities, and strong coverage of technology and ethics. Places and emphasis on the basic foundations including: developing critical thinking and procedural skills; learning about technology applications in the law office; and understanding how to handle ethical situations in the workplace. Strong coverage of technology helps readers become comfortable using computers and common legal office software. Paralegal professionals.
