I found it to be very helpful and it gave me an idea of how successful I can become on starting my own freelancing business.

Presents a step-by-step approach to every phase of starting, operating, and thriving as an independent contractor. Discusses marketing and advertising, office logistics, ethical responsibilities, and implementing systems. Paper.

From the Publisher  
The new wave in the legal field is hiring paralegals on a project basis. A freelance paralegal can hire on with an attorney as an independent contractor and have the opportunity to freelance for several different attorneys at once. The author has put together a career guidebook for the freelance paralegal. This book offers helpful guidance in all phases of operating as an independent contractor, including marketing services, billing, setting up an office and finding the most profitable assignments. Contains sample retainer arrangements, charts, letters and forms.
