Roger LeRoy Miller, Mary Meinzingur Urisko : Paralegal Today: The Legal Team At Work, 4E (West Legal Studies Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Today: The Legal Team At Work, 4E (West Legal Studies Series):

0 of 0 people found the following review helpful. Five StarsBy C. C Chincheap, future law studies1 of 3 people found the following review helpful. Received the Next Day!By S. RoelsThe book was delivered the next day, which was so important since my class started in a few days. The book was rated as "used", but it looks just like a brand new book! Very happy with the book and how easy it was to purchase it at .

Paralegal Today: The Legal Team at Work, fourth edition, makes the paralegal field come alive for the student. It uses real-world examples, offering practical application of each concept discussed, and further enhances this focus with hands-on activities throughout. The text gives the student a thorough introduction to not only the legal system in

general, but to specific areas of the law and the paralegal's integral role as a member of the legal team. The student gains a comprehensive understanding of the laws in our society, the importance of ethical and professional responsibility, and the skills needed to thrive in this environment. Technology features, including spotlights on how technology is changing litigation, legal research, and overall office management, convey the importance of developing strong skills in this area. "Paralegal Profiles" and "Featured Guests" bring a personal touch to the material - as students learn how professionals truly work in each area of the law and how each skill directly translates on-the-job. Ethical dilemmas challenge the students to further understand their professional duties and critical thinking questions provide an opportunity to sharpen their proficiency. In this way, paralegal students learn not only about the substantive areas of the law, but how to excel as a professional in each one.

The depth of coverage is excellent. The explanations are clear and the appropriate vocabulary level for my college students. The amount of coverage is excellent for our survey courses. Susan Belkin, Mercy College "West Paralegal Today contains everything I want and need to teach in my course. The extras such as, Developing Paralegal Skills, Featured Guest, and Paralegal Profile bring the material to life and in a most colorful way." Dora Dye, City College of San Francisco
About the Author
In addition to CRIMINAL JUSTICE IN ACTION, Fifth Edition, Roger LeRoy Miller is the author or coauthor of bestselling textbooks in business law and other fields. His insight and expertise into how today's students learn and retain course material has made CRIMINAL JUSTICE IN ACTION, Fifth Edition, one of the most understandable and engaging texts for the introductory students.
