Beverly K. Hutson : Paralegal Trial Handbook, 2/E (Paralegal Practice Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paralegal Trial Handbook, 2/E (Paralegal Practice Library):

The perfect guide to organizing all your materials for maximum effectiveness, this resource provides the practical information you need to: meet all the deadlines that affect your case, play a significant role in the courtroom, handle alternate dispute resolution, and understand trial preparation from the defendant perspective. The book includes practical advice and solutions to the challenges you face most frequently when handling trial cases, as well as checklists, practice tips, forms, logs, indexes, model questions, sample motions, and sample letters.
