Nihara K. Choudhri Esq : Parent Savvy: Straight Answers to Your Family's Financial, Legal Practical Questions before purchasing it in order to gauge whether or not it would be worth my time, and all praised Parent Savvy: Straight Answers to Your Family's Financial, Legal Practical Questions:

0 of 0 people found the following review helpful. Great! By Rich Highly recommended. The simple language and short chapters made it easy to squeeze into my schedule, but I still found it packed with vital info. 6 of 8 people found the following review helpful. Great parenting book By M. Marasia Parent Savvy has been an extremely helpful book for me as I am expecting my second child in just a few weeks. With minimal time on my hands these days I found the information in this book to be clear and concise...it was extremely easy to read and a great book to have on hand as a resource for questions that come up on a daily basis. The book was particularly helpful answering the financial questions that both my husband and I have regarding our children's future. I am happy to have found this parenting

book to add to my collection I know that I will continue to use it as a reference in years to come. 7 of 8 people found the following review helpful. The must-have sanity guide for new parents By C. Lagatta This book answers all of the questions you were afraid to ask - or didn't know who to ask - with easy, practical advice. Just when I thought I couldn't read another book about spit-up, sleep deprivation, and the wonders of parenthood - this book came along with its sincerity, honesty, practicality - and what you REALLY need to know when you are expecting... even if it isn't your first baby!

The only book that covers the financial, legal and practical aspects of raising your child. Named a 'Best Product for 2006' by iParenting Media Awards and winner of the '2005 Parent to Parent Adding Wisdom Award'. You have diapers and naps figured out -- now it's time to address the bigger questions about your child's future. Whether you're a new parent or about to become one, turn to Parent Savvy to cross items off your baby "to do" list with confidence. It's the only book that gives you quick answers to questions that come with parenthood, such as: What type of child care is best for my family? How do I balance work with family? How do I take advantage of pregnancy and family leave? Can I take advantage of tax credits? What's the best way to save for my child's education? Do I need to write a will and choose a guardian? and much more! You'll find the answers -- plus tips, checklists and resources, in Parent Savvy. It's the all-in-one reference you'll turn to over and over. The book also features parenting advice from BabyCenter, the nation's leading Internet destination for new and expectant parents.

Combines with babycenter.com to offer an unusual mixture of parenting and legal/financial advice. (Barbara F. Meltz 2009-01-01) The best of the best... worthy of any parent's library. (Boston Globe 2009-01-01) Choudhri touches on the practical side of parenting in plain English and uses parenting advice from BabyCenter.com. (Charlotte Parent Magazine 2009-01-01) Issues such as taking pregnancy leave, selecting and managing child care, buying life insurance and designating a guardian for your child are covered in Parent Savvy... (Cincinnati Enquirer 2009-01-01) A lot of us have questions about wills, inheritance, and guardianship and hiring a nanny... the answers are all in this book. (Good Day Dallas 2009-01-01) While plenty of books address child development and health issues, only Parent Savvy discusses all the other issues parents face. (iParenting.com 2009-01-01) Learn more about the dependent exemption and the child tax credit -- as well as other important tax breaks for new parents -- in Parent Savvy. (MSN Money 2009-01-01) Choudhri's no-nonsense guide for new parents won't cure colic... but it does offer straight answers to the financial, legal and practical questions raised by the little one's arrival. (Newark Star-Ledger 2009-01-01) Contains a comprehensive chapter on choosing guardians. (Washington Post 2009-01-01) Offers clear, concise and sanity-saving advice that will help you get prepared legally, financially and emotionally for parenthood -- and give you invaluable peace of mind. (Sandra Gordon 2009-01-01) A resource guide to help busy moms and dads navigate the complicated practical issues that come with parenthood. A true keeper! (Jodie Lynn 2009-01-01) About the Author Nihara K. Choudhri, Esq., is a nationally recognized author who writes on legal issues affecting families. She is also a young mother who spends a great deal of time chasing after her busy toddler, Aman. A former corporate lawyer and family law attorney, she is the author of "Parent Savvy: Straight Answers to Your Family's Financial, Legal Practical Questions," by Nolo. Earlier books include "The Complete Guide to Divorce Law" and "What to Do Before 'I Do': The Modern Couple's Guide to Marriage, Money and Prenups." She lives in New York City.
