get sole custody:

The quintessential guide to becoming a single parent. This book exposes how to manipulate the Family Courts to get the outcome you and your children deserve - completely eradicating the other parent. Are you going through divorce or separation and you have kids? Do you know someone in this position? This book will save you or someone you know expensive legal fees and take years off the process of parentectomy. Don't let slip you're using this book though, or you'll be rumbled!
