Dr. Debra Carter Ph.D. : Parenting Coordination: A Practical Guide for Family Law Professionals before purchasing it in order to gage whether or not it would be worth my time, and all praised Parenting Coordination: A Practical Guide for Family Law Professionals:

2 of 2 people found the following review helpful. A MUST HAVE BOOK FOR PROFESSIONALS AND HELPFUL FOR PARENTS AS WELLBy Dusty1119Dr. Debra Carter has taken cutting edge research, years of experience in the

field and written an easy to understand and practical guide for not only family law professionals but also helpful to parents experiencing a high conflict divorce and the resulting problems for children and extended family. I work in the field of family law and find Dr. Carter's book to be easily readable, a valuable tool for educating parents and helpful to me in writing parenting plans and parenting evaluations. Dr. Carter's book takes very lofty and recent research and puts it in a format anyone can easily use in their practice. I recommend it to parents as I think it can help non-professionals to parent effectively through a difficult separation or divorce. I highly recommend this book. I am using it myself in my own practice and find it very effective. If I could give more than five stars I would! 0 of 0 people found the following review helpful. Five Stars By venice This is a very helpful, well thought out text. 0 of 0 people found the following review helpful. Quite good. Has validated my understanding of the role By Lynne Clark Quite good. Has validated my understanding of the role.

Parenting Coordination is a child-centered process for conflicted divorced and divorcing parents. The Parenting Coordinator (PC) makes decisions to help high-conflict parents who cannot agree to parenting decisions on their own. This professional text serves as a training manual for use in all states and provinces which utilize Parenting Coordination, addressing the intervention process and the science that supports it. The text offers up-to-date research, a practical guide for training, service provision, and references to relevant research for quality parenting coordination practice. Specifically, this book describes the integrated model of Parenting Coordination, including the Parent Coordinator's professional role, responsibilities, protocol for service, and ethical guidelines.

From the Back Cover 568 About the Author Debra Carter, PhD is the co-founder and clinical director of the National Cooperative Parenting Center in Bradenton, FL. She also owns and operates a clinical and forensic psychology practice at the Carter Psychology Center, where she offers psychotherapy, evaluation, mediation, and parenting coordination services. She has authored two books on parenting coordination and several scholarly articles highlighting her research on parenting coordination.
