From Nova Science Publishers : Parents with Substance Use Disorders and Child Protection Issues (Social Issues, Justice and Status) before purchasing it in order to gage whether or not it would be worth my time, and all praised Parents with Substance Use Disorders and Child Protection Issues (Social Issues, Justice and Status):

0 of 0 people found the following review helpful. Good Resource. By M. Rodriguez I am in private practice and do lots of CPS evaluations. Great addition to my library

Each day, the safety and well-being of children across the Nation are threatened by child abuse and neglect. Many of these children live in homes where substance use disorders create additional and compounding problems. This book provides a basis for understanding parental substance abuse and its relationship to child maltreatment.
