A. J. Oakley : Parker and Mellows: The Modern Law of Trusts before purchasing it in order to gage whether or not it would be worth my time, and all praised Parker and Mellows: The Modern Law of Trusts:

Setting out the underlying principles which govern this area of law and exploring the administration of trusts, this book provides the reader with an accessible guide to the law and the overall function of trusts. It is useful for teachers

and students at undergraduate level, vocational students and practitioners.
