Barbara Shotwell, Nancy Rudolph Greenway : Pass It on : A Practical Approach to the Fears and Facts of Planning Your Estate before purchasing it in order to gage whether or not it would be worth my time, and all praised Pass It on : A Practical Approach to the Fears and Facts of Planning Your Estate:

7 of 7 people found the following review helpful. Pass it OnBy Joel FleischerI have been an investment professional for 27 years. One of the most common concerns I encounter is the concern that investors have of retaining the corpus

of their estate for their children. Yet, estate planning is a complicated field populated by attorneys CPA's and others with specialized knowledge. The "average man" feels overwhelmed. Now, I have found a source to which I can refer them. Greenway and Shotwell have done an excellent job of explaining the basics of estate planning and have done it with such humor that the book becomes engaging reading rather than a dry estate planning tome. Kudos to the authors! 1 of 2 people found the following review helpful. buy it now; you'll save (lots) later !By lawrencecan't believe a lawyer can write so lucidly and make the estate tax rules so clear. nancy randolf greenway has taken a complex subject and made it understandable....with humor, too. i recommend this book to everyone over the age of forty....a must read before wasting time on an estate-planning professional's billing clock. 1 of 2 people found the following review helpful. BRILLANTBy Kate KA delightful, readable, and informative book.

You cant take it with youbut you can have a say in where its going. So says this accessible and, yes, entertaining guide to estate planning. Pass It On helps readers gain power over the disposal of their assets. In scenarios that are as funny as they are helpful, it illustrates common estate planning problems and explains their often simple solutions.

". . . This is the perfect way to educate yourself before going to see a lawyer." -- Mirabella "If you love your family, you'll love this book. It's in my library." -- Jeffrey Fox, author of How to Become CEOAbout the AuthorBarbara Shotwell, CFP, is an account vice president with PaineWebber who regularly speaks to corporate employee groups and government organizations. She is also a member of the American Association of Therapeutic Humor. She lives in Seattle. Nancy Randolph Greenway is an attorney and writer. She lives in Aspen, Colorado.
