Johann Pitz, Atsushi Kawada, Jeffrey A. Schwab : Patent Litigation in Germany, Japan and the United States: A Practitioner's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Patent Litigation in Germany, Japan and the United States: A Practitioner's Guide:

This book gives a systematic comparative overview of the characteristic principles of patent enforcement proceedings

in the US, Japan, and Germany, i.e. the major jurisdictions where patent holders might seek for legal remedies in parallel proceedings. The book examines topics such as: survey matter of infringement, claims of the patent holder and objections of the infringer, pre-procedural measures, infringement proceedings, and procedural principles. It will be of interest to practitioners working in the field of copyright, patent, and trademark law. [Subject: Patent Law, Comparative Law]
