ABA Section of Intellectual Property Law : Patent Litigation Strategies Handbook, 3rd Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Patent Litigation Strategies Handbook, 3rd Edition:

Patent Litigation Strategies Handbook, Third Edition gives you both the how-to and the why-to of patent litigation, with specific, proven tactics for protecting your clients interests. Expert litigators provide practical, winning answers to questions such as Why sue in the first place? Should you consider ADR instead? What are your burdens of proof? What types of damages should you seek? and more. Get the discussion, analysis, and the strategic reasoning behind every phase of patent infringement litigation, from initial client counseling through the filing of the Notice of Appeal. Patent Litigation Strategies Handbook, Third Edition contains updated and expanded discussions and analyses of the most recent trends in patent litigation. For example, pharmaceutical patent cases are among the most litigious areas but only about three percent of all patent cases go to trial, while the number of ANDA cases being tried are significantly higher. You ll find that the Handbook gives you winning strategies from some of the country s leading attorneys, from both a patent owner s and a challenger s point of view.
