Susan Stiles : Patent Professional's Handbook, 4th Edition: A Training Tool for Administrative Staff before purchasing it in order to gauge whether or not it would be worth my time, and all praised Patent Professional's Handbook, 4th Edition: A Training Tool for Administrative Staff:

2 of 2 people found the following review helpful. Excellent Resource By Roland R. Schindler II Best secret in patent business. As a very experienced practitioner who has taken on a job at a start up that can't afford an experienced legal secretary, I have found this book to be an excellent resource in training my new support team. Great book. 0 of 0 people found the following review helpful. Contains a lot of useful info, but organized in a somewhat dry manner By Matt Von Contains a lot of useful info, but organized in a somewhat dry manner. Good for finding out the procedure for getting things done when dealing with the USPTO

This Handbook has been updated to include information on the America Invents Act ("AIA") that was passed on

September 16, 2011, and more AIA rules that was implemented on September 16, 2012 and March 16, 2013.
