David Sorkin : Patents Coloring Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Patents Coloring Book:

A patent is an exclusive right granted to an inventor in exchange for the public disclosure of the invention. Patents include an abstract describing the invention, often accompanied by line drawings. Patents Coloring Book presents a selection of odd, interesting, and otherwise notable patents issued by the U.S. Patent and Trademark Office, accompanied by their abstracts and brief commentary.

About the Author David Sorkin teaches information technology law, consumer law, and lawyering skills at The John Marshall Law School in Chicago, Illinois.
