This book was written for the non custodian parent, or a caring friend or relative of a non-custodian parent that may be facing child support proceedings, or who is currently a defendant in one or more Child Support legal cases. This book was written to help prevent the responsible non custodian parent from being totally victimized by a Child Support

System gone wrong. In this book, I discuss how to legally avoid paying child support (at least for a short time), minimize your payments, and if you can't pay, how to stay out of jail.
