**Michael E. Clark : Pharmaceutical Law: Regulation of Research, Development, and Marketing** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pharmaceutical Law: Regulation of Research, Development, and Marketing:

Pharmaceutical Law Regulation of Research, Development, and Marketing is the only resource available that provides expert commentary and authoritative insights into a comprehensive range of pharmaceutical law issues.In fact, no other single volume discusses these complex issues in the detail required for transactional healthcare attorneys to adequately advise their clients on the opportunities and the liabilities in this industry.
