David Kosegarten, Douglas Pisano : Pharmacy Federal Drug Law Review: A Patient Profile Approach before purchasing it in order to gage whether or not it would be worth my time, and all praised Pharmacy Federal Drug Law Review: A Patient Profile Approach:

0 of 0 people found the following review helpful. Five StarsBy Book PurchaserGOOD PHARMACY REVIEW OF THE BASICS7 of 7 people found the following review helpful. NOT a lot of law stuff!!!By BI've already taken the NAPLEX and I bought this book because I thought it would be a great LAW review... Don't make the same mistake I did!!! The CD-ROM contains no law information, and the book only has 27 pages (out of 550) that deal with pharmacy law! It looks like it might be helpful for someone who still has to take both tests, but it's no help to me!!!! I would recommend buying an actual law book written by Douglas Pisano instead...0 of 0 people found the following review helpful. Great book for NAPLEXBy ASZUBOOKSEven though this book does not contain a lot of a law review questions it is great for a NAPLEX preparations. I would say from the books I used this one was the best QA

book. It contains tons of questions based on patient profiles. Highly recommended for NAPLEX!!!

4 STAR DOODY'S REVIEW! "There are several good review books for preparing for the NAPLEX exam and this is one of them. The layout of this book will allow students to target areas of strengths and weakness. Highly recommended!"--Doody's Review Service In preparing newly graduated pharmacists for the NAPLEX, this book presents the challenges of real-life situations that pharmacists must be able to address in their practice. This trusted study guide offers 250 case studies and 2,000 questions with answers and explanations to help graduating pharmacy students prepare for the NAPLEX and the federal drug law exam.

Book comes with CD-ROM. [REVIEWER'S EXPERT OPINION] Thomas Jacobsen, Pharm.D., M.S., R.Ph.(GlaxoSmithKline) **Description** This is a review book for preparing for the NAPLEX. **Purpose** The purpose is to help prepare pharmacy students for the NAPLEX exam using over 250 patient profiles. **Audience** This book is written for pharmacy students preparing for state licensure. The editors of this book are both registered pharmacists with strong academic backgrounds. **Features** This book approached the NAPLEX exam using a realistic patient profile approach. Each profile is organized by disease state. There are more than 2,000 questions with detailed answers and explanations. Also included are questions on federal drug law. A CD-ROM is included which will aid students in preparation for the exam. **Assessment** There are several good review books for preparing for the NAPLEX exam and this is one of them. The layout of this book will allow students to target areas of strengths and weakness. Highly recommended! Weighted Numerical Score: 92 - 4 Stars!Book comes with CD-ROM.
