Mark L. Rosen : Physician's Malpractice Survival Guide: 0 Steps to Protect Your Assets Before It's Too Late - 2008 Florida Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Physician's Malpractice Survival Guide: 0 Steps to Protect Your Assets Before It's Too Late - 2008 Florida Edition:

0 of 0 people found the following review helpful. Excellent Book for the Medical Professional!By rush1313While this

book was written by a Florida attorney, it contains a wealth of information useful in all 50 states--not only for physicians but for nurses, pharmacists, therapist, and all other health care professionals who want to cut to the chase and not have to go to law school for ideas to protect themselves from the ever-present threat of frivolous lawsuits. I would recommend this anyone practicing in any field of medicine.
