**Denis Clifford, Cora Jordan : Plan Your Estate : Absolutely Everything You Need to Know to Protect Your Loved Ones (4th Ed)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Plan Your Estate : Absolutely Everything You Need to Know to Protect Your Loved Ones (4th Ed):

2 of 2 people found the following review helpful. Helpful books By Emmanuil Shraye I find books by Denis Clifford "Plan your estate", "Make your own living trust" and "Quick legal Will book" very helpful for the preparation of legal documents. 0 of 0 people found the following review helpful. Five Stars By Doris Jean Sanders Knowledge is power. This book is powerful. A must. 0 of 0 people found the following review helpful. Four Stars By billtoo A big help in planning my estate

This comprehensive estate planning guide covers everything from basic estate planning to sophisticated tax saving strategies for people with estates worth up to \$1.2 million. Information is provided on probate avoidance, federal estate and gift taxes, trusts, durable powers of attorney, and more.

.com Planning your estate is one of the most complicated endeavors you'll ever undertake, yet its results are also the most far-reaching; after all, it will continue to affect those you care about long after you no longer can. So it's worth understanding all the options and ramifications, being personally involved, and doing it right. This Nolo Press guide to estate planning is an excellent source of information on the many various details and considerations that you need to take into account--such as children and probate, estate and gift taxes, second marriages, and a wide variety of trust options (charitable, generation-skipping, spendthrift, living, and educational, for starters). It delves into the factors that affect married people versus single, the laws regarding children, types of beneficiaries and wills, plus joint tenancy, life insurance, retirement benefits, taxes, and organ donation. Showing a number of sample estate plans, explaining what hiring a lawyer can do for you (and how to choose a good one), how to do your own research, and including a glossary of estate-planning terms, Clifford and Jordan give you the tools to decide for yourself how you want your estate disposed of--and to make sure that's what your legal documents reflect. --Stephanie Gold Among my favorite resources for explaining trusts and other aspects of estate planning... -- Eric Tyson, syndicated columnist and author of *Personal Finance for Dummies*About the Author Denis Clifford, a graduate of Columbia Law School, where he was an editor of *The Law*, is a lawyer who specializes in estate planning. He is the author of many Nolo titles including *The Quick and Legal Will Book*, *Make Your Own Living Trust* and *Nolo's Simple Will Book*, and co-author of *A Legal Guide for Lesbian and Gay Couples*. He has been interviewed by such major media as *The New York Times*, the *Los Angeles Times*, and *Money Magazine*. Cora Miner Jordan earned her law degree at the University of Mississippi. She is also the author of *Neighbor Law: Fences, Trees, Boundaries and Noise*.
