Denis Clifford, Cora Jordan : Plan Your Estate before purchasing it in order to gage whether or not it would be worth my time, and all praised Plan Your Estate:

2 of 2 people found the following review helpful. Helpful booksBy Emmanuil ShrayeI find books by Denis Clifford "Plan your estate", "Make your own living trust" and "Quick legal Will book" very helpful for the preparation of legal documents.0 of 0 people found the following review helpful. Five StarsBy Doris Jean SandersKnowledge is power. This book is powerful. A must.0 of 0 people found the following review helpful. Four StarsBy billtooA big help in planning my estate

Plan Your Estate covers everything from the basics of wills and living trusts to sophisticated tax-saving strategies. The authors give you straightforward, plain-English explanations of every significant estate-planning option available, so you can make the best decisions for you and those you love. The book covers: *federal estate and gift taxes *trusts

used to control property left to beneficiaries *charitable remainder trusts *durable powers of attorney *living wills *funerals and burials Completely updated, the 7th edition discusses new state estate tax rules, the new "disclaimer trust" for couples who aren't sure whether they need an AB trust, educational saving plans for kids, transfer-on-death deeds to avoid probate for real estate and much more. Good for all states except Louisiana.

.com Planning your estate is one of the most complicated endeavors you'll ever undertake, yet its results are also the most far-reaching; after all, it will continue to affect those you care about long after you no longer can. So it's worth understanding all the options and ramifications, being personally involved, and doing it right. This Nolo Press guide to estate planning is an excellent source of information on the many various details and considerations that you need to take into account--such as children and probate, estate and gift taxes, second marriages, and a wide variety of trust options (charitable, generation-skipping, spendthrift, living, and educational, for starters). It delves into the factors that affect married people versus single, the laws regarding children, types of beneficiaries and wills, plus joint tenancy, life insurance, retirement benefits, taxes, and organ donation. Showing a number of sample estate plans, explaining what hiring a lawyer can do for you (and how to choose a good one), how to do your own research, and including a glossary of estate-planning terms, Clifford and Jordan give you the tools to decide for yourself how you want your estate disposed of--and to make sure that's what your legal documents reflect. --Stephanie Gold Following Cliffords advice in this laymens guide can save your heirs a bundle. -- Money Magazine Plan Your Estate is particularly helpful to the layperson... a clear, comprehensive and even charming book. -- Los Angeles Times Probably one of the most comprehensive estate-planning books available to mature adults. -- Washington Times About the Author Denis Clifford, a graduate of Columbia Law School, where he was an editor of The Law , is a lawyer who specializes in estate planning. He is the author of many Nolo titles including Quick and Legal Will Book, Nolo's Simple Will Book and Make Your Own Living Trust and co-author of Plan Your Estate and A Legal Guide for Lesbian and Gay Couples. He has been interviewed by such major media as The New York Times, Los Angeles Times, and Money Magazine. Cora Miner Jordan earned her law degree at the University of Mississippi. A trained mediator, she is the author of Neighbor Law: Fences, Trees, Boundaries and Noise and co-author of Plan Your Estate.
