From Brand: State Univ of New York Pr : Polls and Politics: The Dilemmas of Democracy before purchasing it in order to gage whether or not it would be worth my time, and all praised Polls and Politics: The Dilemmas of Democracy:

This hard-hitting and engaging examination of polls and American politics asks an essential question: do polls

contribute to the vitality of our democracy or are they undermining the health of our political system? Leading scholars address several key issues such as how various types of polls affect democracy, the meaning attributed to polling data by citizens and the media, the use of polls by presidents, and how political elites respond--or do not respond--to public polls. The contributors assert that while polls tread a fine line between informing and manipulating the public, they remain valuable so long as a robust democracy obliges its political leaders to respond to the expressed will of the people.

"The topic--how polling can be reconciled with democracy--is a great one, and the work here fills an important gap in the literature." From the Back Cover This hard-hitting and engaging examination of polls and American politics asks an essential question: do polls contribute to the vitality of our democracy or are they undermining the health of our political system? Leading scholars address several key issues such as how various types of polls affect democracy, the meaning attributed to polling data by citizens and the media, the use of polls by presidents, and how political elites respond--or do not respond--to public polls. The contributors assert that while polls tread a fine line between informing and manipulating the public, they remain valuable so long as a robust democracy obliges its political leaders to respond to the expressed will of the people. About the Author Michael A. Genovese is Loyola Chair of Leadership Studies and Professor of Political Science at Loyola Marymount University. He is the author of many books, including *The Power of the American Presidency: 1789-2000* and *The Presidential Dilemma: Leadership in the American System*. Matthew J. Streb is Assistant Professor of Political Science at Loyola Marymount University and the author of *The New Electoral Politics of Race*.
