Charles E. Sherman : Practical Divorce Solutions: How to Settle Out of Court (National ed) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Practical Divorce Solutions: How to Settle Out of Court (National ed):

1 of 2 people found the following review helpful. A good starting pt, esp for the emotional challenge ahead. By A Customer I found this workbook an excellent starting point to begin sorting out the emotionally confusing aspects of my divorce. The legal tips and reminders are also helpful.

Aimed at people who want to avoid hiring lawyers in one of life's most trying times, this workbook-style guide helps the splitting couple get around the emotional roadblocks and onto the path of amicable and fair settlement of property. Original.

At last, a book that guides people through the legal divorce leaving them with enough energy and personal dignity to deal with the emotional divorce. I highly recommend it." -- Betty Goldwater, M.F.C.C., family practice, Santa Barbara
Ed Sherman's book is like a roadmap to make the divorce journey easier, faster, and with a lot less roadblocks. It is very sensitive and full of compassion for the traveller. What a tremendous contribution! -- Tasha Schaal, Founder, Divorce Anonymous
I think Practical Divorce Solutions is terrific. It is clear, well written, humanistic and balanced. Congratulations. -- Hugh McIsaac, Director, Family Court Services, Los Angeles Superior Court; President, Association of Family and Conciliation Courts
