**Daniel F. Hinkel : Practical Real Estate Law, Loose-Leaf Version** before purchasing it in order to gage whether or not it would be worth my time, and all praised Practical Real Estate Law, Loose-Leaf Version:

Gain a solid understanding of the role of today's real estate paralegal and the intricacies of real estate law and transactions using PRACTICAL REAL ESTATE LAW, 7th edition. This comprehensive resource provides students with clear explanations to help you understand the complexities of real estate law. The book's case-based approach explains legal principles using practical applications and the most current examples. Updates throughout this edition clarify the latest rulings and industry regulations, while case summaries illustrate how legal principles operate in today's world. New case problems and assignments offer practice in reading and analyzing case material. Meaningful discussions, checklists and well-illustrated forms guide students through all areas of modern real estate practice with

an emphasis on important ethical concerns. Students develop a solid understanding of transactional real estate--from real estate contracts and brokerage relationships to surveys, title insurance, taxation and real estate finance as they relate to both residential and commercial processes.

"This textbook has been very well organized and does emphasize the importance of foundational content of real estate law. The practical content is measured by the homework and application assignments at chapter end." About the Author Best-selling author Daniel F.
