**Midge Murphy : Practice Energy Healing in Integrity: The Joy of Offering Your Gifts Legally Ethically** before purchasing it in order to gage whether or not it would be worth my time, and all praised Practice Energy Healing in Integrity: The Joy of Offering Your Gifts Legally Ethically:

0 of 0 people found the following review helpful. Here's What You Don't Know That Can Bankrupt Your Energy Healing BusinessBy Terry McGillMidge brings is awareness of an energy healer with the specificity and clarity of a

top-level attorney to the area of energy healing. I considered myself at about the 92% of ethics until I read her book. wow...five or six areas that I had not considered. Then she gives clear directions for how to tune up our practice. and would you believe, she then offers a free consultation! Oh - yes, I now have practice insurance.4 of 4 people found the following review helpful. Energy Healing - Manage the RisksBy Kerry RasmussonFor energy healing practitioners this is a great resource for maneuvering through the ethics and risks associated with practicing. In fields that are developing, and considered to be experimental by most, this book provides insights into the legal, regulatory and health care industry implications that a practitioner should look at when operating in the energy healing business realm. Healing practitioners get into their field to help, but it is important not to lose sight of the legal risks. Something as common as putting up a website can have significant implications and risks such as violating FCC regulations or state laws that govern licensing of professionals. This book also discusses ethical and legal matters when actually working with clients, such as adequately informing them of your services (the benefits and the risks) and what you can (and cannot) do as an energy practitioner. Written by an attorney and energy practitioner, the book provides expert advice from both perspectives.4 of 4 people found the following review helpful. A Must Read for Energy PractitionersBy Lisa NeumannThis is an incredibly articulate and purpose-filled read. Ms. Murphy provides the exact examples and resources for having my website, forms, and printed material within legal and ethical standards. I am so grateful for her expertise. As a board certified (and legally non-licensed) bioenergetic healthcare practitioner, certified life skills coach, and energy worker, this book arrived at the perfect time. You provide our industry with a much needed tool.Thank you. Lisa NeumannAuthor of Sober IdentityFounder at Empower Recovery LLC

This comprehensive book is an essential resource and reference guide for all practitioners who use energy healing methods. Energy healing methods are considered experimental by the mainstream health care industry, the legal system, licensing boards, and regulatory agencies. Consequently, all practitioners who use energy healing methods, whether licensed or non-licensed, face significant legal risks. This book covers key ethical and legal principles, practical considerations in working with clients, informed consent, scope of practice, and the legalities of marketing an energy healing practice. It provides essential risk management strategies that can help protect your practice from the potential legal liabilities inherent in offering energy healing methods. In defining a new ethic of caring with clients, this book also discusses the concept of the therapeutic relationship as a sacred contract between the practitioner and client and explores archetypes as the guardians of ethical relationships. This expert advice can help ensure the viability of your practice and empower you to practice in integrity and experience the joy of offering your healing gifts legally and ethically.

About the AuthorMidge Murphy is the first attorney to receive her PhD in energy medicine. She understands both the law and the healing arts, which allows her to lend her expertise as a bridge between the two worlds. Murphy is recognized as a dynamic presenter, teacher, and leading expert on ethics, legal principles, and risk management strategies in the practice of energy healing methods. Murphy is the creator of leading edge, online certificate courses in the fields of energy psychology and energy medicine. She has authored customized online ethics and legal courses for various organizations offering certification and training programs such as Matrix Energetics, Havening Techniques, Splankna Therapy, the Soul Detective Method, Healers Internship Program, EFT MBA Program, Trauma Tapping Techniques, and ACEP. Murphy also has an energy healing practice for animals and humans. She was first trained in Therapeutic Touch as a hospice volunteer in 1996. In 2007, Murphy was initiated as a Reiki Master and in 2010 became a Certified Matrix Energetics Practitioner. She has studied shamanism for over twenty years and uses shamanic processes in her healing work.
