Richard L. Hermann : Practicing Law in Small Town America before purchasing it in order to gage whether or not it would be worth my time, and all praised Practicing Law in Small Town America:

Practicing Law in Small-Town America, in three distinct and thorough parts, paints a picture of what small-town practice is like in its rich diversity, examines how local practitioners got to where they are, and details what an aspiring small-town lawyer needs to know and do in order to locate in--or relocate to--a small community. The book includes

everything information on everything from Where to locate to what to do when you get there. The book also includes appendices on what's out there, a small-town due diligence checklist, best and worst places to relocate, additional information sources and a thorough bibliography, and an in-depth look at the history of one of the representative towns featured in the book, Canandaigua, New York.

About the Author Richard L. Hermann is a professor at Concord Law School, teaching the only full-semester course in legal career management in the United States. His Future Interests blog appears twice a week on www.legalcareerweb.com, and he was the co-founder of Federal Reports Inc., the leading U.S. provider of legal career information, and of AttorneyJobs.com and Law Student Jobs Online. He resides in Arlington, VA.
