Linda J. Ravdin : Premarital Agreements: Drafting and Negotiation before purchasing it in order to gage whether or not it would be worth my time, and all praised Premarital Agreements: Drafting and Negotiation:

Focusing on the fundamentals involved in negotiating and drafting premarital agreements, this book explains the most critical aspects involved and the elements of a valid agreement. Linda Ravdin provides practical advice for all stages

of drafting and negotiation, and covers topics such as the ethical issues involved, the practical aspects of negotiating the terms, and issues that can arise after the agreement has been executed. The book contains a model agreement with commentary, plus letters, forms, sample language, and state law summary.
