Jeffrey Behrendt : Prenup Essentials: What Canadians Need To Know before purchasing it in order to gage whether or not it would be worth my time, and all praised Prenup Essentials: What Canadians Need To Know:

The Ultimate Guide to Canadian PrenupsHow Does a Prenuptial Agreement Work in Canada? Canadian lawyer Jeffrey Behrendt has taken his years of experience creating and negotiating prenuptial agreements and written a

complete guide for Canadian couples thinking about entering into a prenup. This brief, easy to read book takes you through every step of the process without any legalese. Behrendt gives you a solid background not just in prenups, but also in how divorce works. Inside this guide you will discover: What makes a valid prenup How custody, access, and child support are affected by prenups What your prenup can say about spousal support How property can be divided Explanations of common legal terms Prenups and estate planning And Much More Each chapter guides you through the various legal issues of a prenup. Common questions are answered and the most common options couples choose when agreeing to a prenup are laid out. If you are getting married you need this book. It will answer your questions about prenups and will make sure you are prepared when you visit a lawyer to get your agreement drafted. This book can help you lower your legal fees, increase your confidence, and give you peace of mind. Don't Wait Another Second. Get Your Copy of Prenup Essentials Right Now.
