Deborah Hope Wayne Esq. : Prenups and the Elephant in the Room: A Handbook for the Prenup Process before purchasing it in order to gage whether or not it would be worth my time, and all praised Prenups and the Elephant in the Room: A Handbook for the Prenup Process:

0 of 0 people found the following review helpful. Excellent resource for PrenupsBy BJ MediatorThis book is an outstanding resource for couples considering a prenup. It is a simple and thorough guide to what can be a complicated subject. Deborah Wayne has combined practical information with the emotional aspects that are part of this delicate conversation. The interviews and case examples are very useful. As a divorce and family mediator I have drafted numerous prenups and this book has enhanced my process and I have incorporated several ideas. I recommend this book to all of my clients who are exploring a prenup. Hearty thanks to Ms Wayne who has added an excellent resource for practitioners and clients.0 of 0 people found the following review helpful. Four StarsBy Joseph L. RizzoThis

covers all of the bases easily and tries not to leave any holes.

"Prenups and the Elephant in the Room: A Handbook for the Prenup Process" is a practical, informative guide to negotiating a prenup. It provides a user-friendly framework for how the process of arriving at a prenup works from the beginning considerations and conversations to the final product. The book provides guidance on determining whether a prenup is a wise choice, reasons to have a prenup, and how to have productive negotiations. It also addresses common misconceptions. The underlying premise of the book is that the negotiations for a prenuptial agreement present an opportunity to begin marriage with a clear sense of each others values and priorities. The goal of the book is to help make the users own process more productive and meaningful.

About the Author DEBORAH HOPE WAYNE, ESQ. is a collaborative attorney and mediator who has helped a diverse clientele negotiate prenuptial and matrimonial agreements without court intervention for more than 25 years. Her dedication to finding better ways to resolve conflict inspired her to codevelop one of the first law school programs on collaborative practice in the United States. She is currently an Adjunct Professor of Collaborative Law at Pace University School of Law where she has taught for the past eight years. She has presented on prenuptial agreements and conflict resolution for various local, state, and national organizations and institutions. She is on the Board of Directors of the New York State Council for Divorce Mediation and previously served on the Board of Directors of the New York State Association of Collaborative Professionals where she is still involved in training and peer support and development. Ms. Wayne practices in Purchase, New York, and New York City.
