This book showcases that - no matter divorce or death or debt. Must read!1 of 1 people found the following review helpful. This is a book for preventing divorce, not preparing for it!By Russ BThis book supports a lot of conversations that prevents a lot of arguments. My wife and I have been married for nearly 10 years, and I credit this book for clearing the air on a lot of fears we each brought to the relationship. I buy another copy whenever anyone announces their marriage. This is a book for preventing divorce, not preparing for it!1 of 1 people found the following review helpful. Reasonable arguments

but...By Joshua Rosenberg Arguments make sense but could not get my fiancée to buy in..
