Carolynn Tomin, Colleen Carcone : Principles of Estate Planning, 2nd Edition (National Underwriter Academic) before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Estate Planning, 2nd Edition (National Underwriter Academic):

Principles of Estate Planning, 2nd Edition covers all aspects of estate planning, from the basic principles of property transfers to complex financial techniques that can be used to deal with a wide variety of client circumstances. The authors bring a wealth of experience in both professional and academic arenas that help students understand the concepts that are critical for achieving important professional designations as well building a successful practice with

real-world examples of common estate planning problems.
