Donald Chisum, Craig Nard, Herbert Schwartz, Pauline Newman : Principles of Patent Law: Case and Document Supplement With Technology Primer (University Casebook) (University Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Patent Law: Case

and Document Supplement With Technology Primer (University Casebook) (University Casebook Series):

This supplement updates Chisum, Nard, Schwartz, Newman and Kieff's Principles of Patent Law, a casebook that covers all major aspects of patent law.
