Ian Brownlie : Principles of Public International Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Public International Law:

0 of 0 people found the following review helpful. Good reference / overview for those with no background in public international lawBy GagewynThis is a good reference for public international law. I used it to help guide me when I did Jessup Moot Court. For treaties, concepts and ICCJ case law, I could use the index to find what I wanted to know about and then read through that part of the book to get perspective. If you have to buy this for a class or even if it's optional for a class, it's worth holding onto or maybe getting the older edition as a keeper.0 of 0 people found the following review helpful. Five StarsBy Bruno MeloGreat0 of 0 people found the following review helpful. great

bookBy Aliceit would be hard to rate ian brownlie otherwise. good book, excelent conditions. cannot go through another jessup year without it

The sixth edition of Ian Brownlie's comprehensive and authoritative textbook has been thoroughly revised and updated to take into account all changes in the field of public international law since 1998. A new chapter on the Use of Force has been added and further discussion of the Environment. Its clarity, excellent structure, detailed referencing and depth and maturity of analysis make it the ideal text for students, scholars and practitioners.

`From the reviews of the 4th edition: "This systematic and balanced account of international law, written with great clarity and concisemess, is at both approachable and authoratitive. It is evident that each sentence carries the weight of much learning, and that the language has been crafted to give a precise and nuanced account of Professor Brownlie's views. Well indexed and well structured, the book is a delight to use." Vaughan Lowe, Law Quarterly About the AuthorMr. Ian Brownlie CBE QC is a barrister at Blackstone Chambers, London and Fellow of All Souls College, Oxford.
