Robert D Thorson, Robert Thorson : Prison Stories from Gladiator School before purchasing it in order to gage whether or not it would be worth my time, and all praised Prison Stories from Gladiator School:

1 of 1 people found the following review helpful. A good read!By LoveroflifenhThis was a very interesting inside look at Americas "Justice" system. Certainly interesting and eye opening. A good read and one I'd recommend. I read the whole thing in one sitting as I didn't want to put it down.1 of 1 people found the following review helpful. Pretty amazingBy Catherine SwansonGood reading but I was surprised that the guy got away with so much. Made it seem to

unreal to believe. 1 of 2 people found the following review helpful. This should definitely be in the FICTION category...By D. Scott Spencer-Wolff I know numerous folks from the prison and period this person referenced - including one who is still incarcerated at Washington State Reformatory. I think it is a poor portrayal of prison life, but a wonderful illustration of a narcissistic personality disorder. I'm guessing that 70% of the stuff in this book never happened. Sometimes inmates become "legends in their own mind" - which makes for great stories but doesn't serve the prison or ex-prisoner community well in terms of describing the sociology of prison life or prisons. A guard at WSR gave a copy of this book to a lifer friend of mine there - and they both had a good laugh, then advised me to buy it for a chuckle and that's pretty much what it was. Not serious prison literature.

This is truly an autobiography of the injustice that is the American Justice System. This is a story of how an innocent man can go to prison and learn to survive there or even thrive there in a warrior's society, where the weak are abused, used and often killed for no other reason than, they are afraid to fight ... even to protect themselves. This is a real look at what prison life was like during the 1970s through 2003 by someone with firsthand knowledge and who wasn't content to just go with the flow, but insisted on trying to make the world he lived in a little better for himself and those around him. This is a must read for anyone who has loved ones behind bars or is headed there themselves for the first time. This book will give them an edge and may help them survive without all the trial and error. As in a Prison Society an error can result in a beating, having to 'Check In' to Protective Custody or even death

This is The OLD VERSION of the Book. I have Edited and Added Stories to the Book and Republished it with a new Cover. It is also Cheaper. so look for the "Prison Stories from Gladiator School Edited, Revised and Expanded" Version. I am sure you will be pleased. From the Back Cover This is truly an autobiography of the injustice that is the American Justice System. This is a story of how an innocent man can go to prison and learn to survive there or even thrive there in a warrior's society, where the weak are abused, used and often killed for no other reason than, they are afraid to fight ... even to protect themselves. This is a real look at what prison life was like during the 1970s through 2003 by someone with firsthand knowledge and who wasn't content to just go with the flow, but insisted on trying to make the world he lived in a little better for himself and those around him.
