The majority of applications for probate that follow someone's death can be dealt with inexpensively by any reasonably intelligent person with time available and a little guidance. This easy-to-follow book clearly explains all the information you need to administer the deceased's estate, from dealing with the urgent practical matters to preparing and submitting the relevant forms, paying inheritance tax, and distributing the estate. You'll find specimen forms and letters and a list of useful addresses that will enable you to deal with it all yourself.

'An easy to follow book aimed at the layperson and tells you all you need to know.' Active Life 'A simple and practical guide to an extremely complex and emotive subject.' About the Author  
Author Gordon Bowley practised as a family solicitor for over thirty years, with particular experience in wills and probate. When he retired as a senior partner he decided to write a step-by-step guide for his own family to use, giving them the procedures to follow and the information they will require to wind up his affairs themselves. Gordon is also the author of How To Make Your Own Will.
