From FT Law Tax : Probate Practice Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised Probate Practice Manual:

Probate Practice Manual provides everything needed in order to help run a successful probate practice. It sets out the best ways to streamline procedures in order to maximise fee income and offer clients value for money.The work

provides stage-by-stage guidance on how to approach probate practice in the most systematic way, along with ideas for effective case management. Probate Practice Manual is the complete guide to efficient probate work, ensuring everything is done correctly and cost effectively.* As well as expert guidance on how matters can be dealt with efficiently, it includes supporting checklists, examples, standard letters, forms and precedents needed to ensure that nothing is overlooked and that the best use is made of everyone's time and resources* In addition to the advice on systems and procedures, the manual explains the law relating to probate and covers costs and fees* Much of the material can be photocopied and the standard letters can be put onto word processors
