Christina L. Kunz, Deborah A. Schmedemann, Ann Bateson, Mehmet Konar-Steenberg, Matthew P. Downs : Process of Legal Research before purchasing it in order to gage whether or not it would be worth my time, and all praised Process of Legal Research:

1 of 1 people found the following review helpful. Excellent resource for grad student or law student! By Barbara H. Smith "The Process of Legal Research" is well organized, with clear chapter contents telling students where they have been and where they are going. The book is easy to understand and contains good examples. The book serves as an intro to law and covers both primary and secondary authority. As a faculty member, I found the book to be useful in a graduate course in communication law, where content and methods both must be taught. A new edition will be

released in 2012.0 of 0 people found the following review helpful. Five StarsBy Customerlove it2 of 2 people found the following review helpful. Great Book!By Resa MitchellI used this book to help me pass my final exam. It was truly a great read, very informative and a help in my paralegal studies.
