Nathan M. Crystal : Professional Responsibility: Problems of Practice before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Responsibility: Problems of Practice:

0 of 0 people found the following review helpful. Five StarsBy CustomerI like this book very much!0 of 0 people found the following review helpful. Manageable chunks!By Carolyn CarmodyRented book - I think it does great job at putting all those rules into manageable chunks!0 of 0 people found the following review helpful. A LOT of highlightingBy JordanThis had a lot of highlighting.. and not even in just one color so that I knew whatever I highlighted was in the color I chose. There was every color highlighting you could imagine throughout the entire book.

That kind of sucked.

The practice-based approach, realistic problems, and brevity of **Professional Responsibility: Problems of Practice and the Profession** have made it a favorite with both instructors and students. Now in its fourth edition, this concise problem-based casebook continues to offer students the opportunity to hone their judgment skills and to develop a philosophy of lawyering that can become a credo for dealing with the hard ethical issues that are part of their chosen profession.

The unique features of this exceptional casebook include:

- Reasonable and accessible length
- Teaching flexibility
- Doctrinal coherence
- organization by area of practice and by doctrine within area of practice gives students a feel for the rewards and challenges of particular practice areas and offers students and instructors the opportunity to review and compare the treatment of the same issue in different areas
- An emphasis on developing sound judgment
- challenging problems offer students the opportunity to develop their ability to exercise sound judgment within the framework of rules of ethics and applicable law
- An innovative approach to dealing with issues of professional responsibility

Nathan Crystal conceptualizes a philosophy of lawyering, and he provides ample material for students to articulate and to justify their own philosophy of lawyering.

An extensive Teachers Manual

the detailed Teachers Manual provides sample lesson plans with specific questions and answers for each class, suggestions for role plays and other teaching techniques, and sample syllabi for both two- and three-hour courses

Updated throughout, the Fourth Edition offers:

- a second, doctrinally-organized Table of Contents to give greater flexibility to teachers who prefer a doctrinal organization
- multiple-choice questions that are geared toward preparing students for the MPRE as well as understanding basic concepts
- major new cases, including *Spaulding v. Zimmerman* and *Alexander v. Cahill*
- comprehensive treatment of the revised Code of Judicial Conduct (2007)
- a new author website that will provide updates and material covering new cases and developments and self-testing materials for students
- new and revised problems
- updated Teachers Manual

For well-rounded coverage and a practice-based approach that you can easily adapt to your own teaching style, you'll want to take a look at Nathan M. Crystal's **Professional Responsibility: Problems of Practice and the Profession, Fourth Edition**.
