**Craig D. Singer : Professionals, Firms and Frauds: Defending Professionals Against Liability for Client Fraud**  
before purchasing it in order to gage whether or not it would be worth my time, and all praised Professionals, Firms  
and Frauds: Defending Professionals Against Liability for Client Fraud:

With increasing frequency, professionals and their firms are facing some variant of a nightmarish scenario that, if not handled correctly, threatens the professionals' livelihood and the firms' very existence. This book touches on many areas of law practice and of substantive law, bringing together these many areas into a primer on client fraud cases against professionals to help identify available defenses and strategies.
