Richard Stim Attorney : Profit From Your Idea: How to Make Smart Licensing Deals before purchasing it in order to gage whether or not it would be worth my time, and all praised Profit From Your Idea: How to Make Smart Licensing Deals:

0 of 0 people found the following review helpful. Good info!By ArielI think this book has a lot of good information. I haven't read in full yet but my son-in-law wants to pursue his ideas and this is a good start!0 of 0 people found the following review helpful. Five StarsBy Customervery clear and informative.0 of 0 people found the following review helpful. Great software and good text combinationBy R. ChavisHighly recommend the intense reading of profiting in developing my ideas adn creating solid licensing deals. The CD (software) makes the combinations makes the book even better. The templates save thousands of dollars not having to use an attorney to create the needed legal documents from scratch. Simple consumer english and greater solid fashioned deals.

License your invention without the risk -- protect your idea! You've invented a great product and it's time for the next step. However, if you present an invention to a prospective buyer or licensee, it's no secret that your idea can be stolen. How can you draft an agreement that protects your interests? Turn to *Profit From Your Idea* to help you create, modify and understand nondisclosure agreements specifically for inventors. In addition to providing sample agreements and practical advice, this all-in-one guide helps you: understand the licensing process determine ownership rights work with agents effectively find potential licensees publicly show inventions without the risk negotiate a fair licensing deal draft a comprehensive licensing agreement deal with international licensing Disclosing your invention requires a balancing act: Presenting the best aspects of your invention while protecting the confidential aspects of your work. Use *Profit From Your Idea* to help you effectively maintain the necessary balance and minimize the risks of disclosure. The fully updated 7th edition comes complete with the latest licensing case law and includes brand new FAQs, many from the author's popular blog, *Dear Rich: Nolo's Patent, Copyright Trademark Blog*.
