Roger J. Marzulla, Nancie G. Marzulla : Property Rights: Understanding Government Takings and Environmental Regulation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Property Rights: Understanding Government Takings and Environmental Regulation:

Written in non-legalese, this book defines, in detail, government takings and explains the laws, regulations, state issues, litigation disputes, and compensations involved. Landowners, developers, lenders, contractors, government regulators, and activists in both the environmental and property rights movements will enjoy the comprehensiveness of this book.
