**Margaret Wilkie, Rosalind Malcolm, Peter Luxton : QA Equity and Trusts 2010 and 2011 (Blackstone's Law Questions and Answers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised QA Equity and Trusts 2010 and 2011 (Blackstone's Law Questions and Answers):

No matter how good your research and study skills, the ultimate test for the law student is the exam. This book explains how to tackle successfully the sort of problems and essay questions typically found in exam papers. The authors clearly guide you through the process of planning and structuring answers, providing advice on what to include, and on what to leave out. The book contains 50 questions and model answers divided into chapters covering all major topics. Each chapter begins with advice on preparing for questions in that topic area, and ends with suggestions for further reading. Each question and answer is supported by clear commentary indicating exactly what examiners are looking for, followed by an answer plan listing the key points to cover.
