Rachael Stretch : QA Family Law 2011-2012 (Questions and Answers) before purchasing it in order to gage whether or not it would be worth my time, and all praised QA Family Law 2011-2012 (Questions and Answers):

0 of 0 people found the following review helpful. too much international lawBy KENT U LARSSONI was just looking for a simple review with multiple choice questions relating to common situations in American family law.What I got was a more advanced study of international law. I would resell it, but I forget where I put it.0 of 0

people found the following review helpful. Family Law Q A By TT This book is not helpful for typical Family Law courses. It is not the usual Q A book that I have purchased in the past. This book will not help you on your law school exam. Disappointing.

You've planned your revision and you know your subject inside out! But how do you apply what you have learned to get the best marks in the examination room? Routledge QAs give you the ideal opportunity to practice and refine your exam technique, helping you to apply your knowledge most effectively in an exam situation. Each book contains approximately fifty essay and problem-based questions on topics commonly found on exam papers, complete with answer plans and fully worked model answers. Our authors have also highlighted common mistakes as well as offering you tips to achieve the very best marks. What's more, Routledge QAs are written by lecturers who are also examiners, giving you an exclusive insight into exactly what examiners are looking for in an answer. New editions for 2011-2012 include: An introduction, with essay-writing and exam preparation advice, written specifically to address the unique demands of the subject under consideration. Aim Higher text boxes offering tips and advice to help those students aiming for top marks to go the extra mile. Common Pitfalls text boxes showing where students often trip up or highlighting areas of potential confusion, to help students avoid making some of these common mistakes. Key cases and legislation, highlighted within the text for ease of reference. Boxed answer plans after each question, outlining the major points students should be aiming to convey in their answer. Books in the series are also supported by a companion website offering online essay-writing tutorials, podcasts, bonus QAs and multiple-choice questions to help you focus your revision more effectively.

"These books are brilliant! The Q As sound so similar to our real exam questions.. I would definitely recommend these to all students on the LLB and also for students refreshing their knowledge for the LPC" NEW GRADUATE JUST ABOUT TO START LPC "What a relief! A book I can understand quickly.. Ill be using these this year" SECOND YEAR UNDERGRADUATE "This is an excellent series, which hits the target at a remarkable number of levels. The clarity of its reference points makes it ideal for students new to undergraduate study, while at the same time being the perfect refresher book for students about to start on professional courses. More than that, the series is great as a starter pack for non-specialist students covering elements of law as part of their wider studies, and invaluable for teaching international students studying the English common law from abroad." FIONA E.C. KING LAW LECTURER (for almost 30 years in Universities Business Schools in the UK and Europe) About the Author Rachael Stretch is Lecturer in Law at Nottingham Trent University.
