Answers aren't linkedBy LatimerThis book was mildly helpful for practicing for my final exam, but it was very similar to the BarBri MPRE prep book I had already used. It helped to have a few extra questions, but overall felt a bit superfluous.It would be a lot better if, like the Evidence QA book, the questions were hyperlinked to answers so you didn't have to flip back and forth with a ton of bookmarks.0 of 0 people found the following review helpful. Actually helpful when used in conjunction with the rule bookBy ZXgreat book0 of 0 people found the following review helpful. but didn't get an excellent grade. Its okBy LikaDI did every single question, but didn't get an excellent grade. Its ok. I guess this book is helpful in terms of building up your confidence, but other than that I am not sure if you should invest in this book.

Understand better what you're learning in Professional Responsibility class and prepare effectively for exams by applying concepts as you learn them. This study guide includes 160 multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of 48 questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Longan provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less. For these questions, Professor Longan provides a thoughtful, comprehensive, yet brief model answer.
