**Jr. Thomas M. Featherston : Questions Answers: Wills, Trusts, and Estates** before purchasing it in order to gage whether or not it would be worth my time, and all praised Questions Answers: Wills, Trusts, and Estates:

3 of 3 people found the following review helpful. Not very helpful!!By L1 SurvivorI bought this supplement because it follows UTC and UPC. However, it was extremely confusing and difficult to follow the questions. It refers to prior questions and uses variations that are just not effective. Also, it is supposedly arranged by topic but yet questions within a topic section will actually reference rules in another making it difficult to learn the individual rules. This study aid actually made my study group (of 3L's) confused and discouraged.0 of 0 people found the following review helpful. another mediocre study aidBy JenniferThe chapter titles are unclear. I guess the author thinks he's being clever. The problems are ok, not overly comprehensive.2 of 2 people found the following review helpful. Hugely helpful. There were some critical typos in the ...By Ryan BeckenbaughHugely helpful. There were some critical typos

in the questions/possible answers, but if you just took a semester's worth of TE, you should be able to figure out what the typos were and what they were meant to say.

Understand better what you're learning in Wills, Trusts and Estates class and prepare effectively for exams by applying concepts as you learn them. This study guide includes multiple-choice and short-answer questions arranged topically for ease of use during the semester, plus an additional set of questions comprising a comprehensive "practice exam." For each multiple-choice question, Professor Featherston provides a detailed answer that indicates which of four options is the best answer and explains thoroughly why that option is better than the other three options. Each short-answer question is designed to be answered in fifteen minutes or less. For these questions, Professor Featherston provides a thoughtful, comprehensive, yet brief model answer.
