Perfect condition, arrived as promisedBy Michael GlazerArrived quick, perfect condition. Huge savings. Buy with confidence.Substantively: I'm a 4L law student who has used QA for every class. Often times, I see the exact same problem (names changed) on the exam. Huge confidence builder. Questions helped point out nuances I didn't see and sometimes Triggering Facts..seeing the same problem presented over and over in new ways helps pick up on the issue.0 of 0 people found the following review helpful.
