Denis Clifford : Quick Legal Will Book: Legal Basics (3rd Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Quick Legal Will Book: Legal Basics (3rd Edition):

0 of 0 people found the following review helpful. Had all the information and forms my mother needed to ...By Had all the information and forms my mother needed to get through the maze of paper work.Worth the money, more important worth the read.2 of 2 people found the following review helpful. Everyone should own this book!By Leslie C. SmithI checked out a copy of this book at my local library. After reading through the "directions" and seeing how the included CD was so easy to use, I decide I must have a copy of this book. The book and CD cost about 1/4 the price of an Internet website copy of one standard Will.0 of 0 people found the following review helpful. The forms are awesomeBy MsBathnBodyThis book has a CD-ROM with it that has the basic will forms and they take a lot of the stress out of making a will. Explanations are really well done in my opinion and there is a lot of information in one place, which is a relief after becoming so confused with the wildly conflicting information one can find on the Internet.

If you want to create a will with the least amount of time and trouble, Quick Legal Will Book is for you. It provides fill-in-the-blank forms and step-by-step instructions to make a basic will that meets your needs. In just a few minutes, you can: *create a will that distributes your property as you wish *choose a guardian to care for your children *set up a trust for property left to children *name an executor (personal representative) *sign your will and have it witnessed Not only does this book provide an all-purpose will form, it also includes customized will forms for a: *single person with no children *single person with children or leaving property to children *married person with children or leaving property to children *married person with no children The completely updated 3rd edition is presented in a larger format to make the book and forms easier to use. It contains the latest laws of your state and provides new information about your options. Helps you create your own will in all states except Louisiana.

From Library Journal Clifford has a reliable track record when it comes to estate planning guides. His new title joins Plan Your Estate (Nolo, 1994. 3d ed.), Make Your Own Living Trust (Nolo, 1993), and Nolo's Simple Will Book (Nolo, 1989. 2d ed.). While it is good to be wary of any publication with "quick" and "legal" in the same title, Clifford and Nolo have proved again that they can offer a simple but not oversimplified explanation of a legal concept. Written for people under age 50 with less than \$600,000 in assets, the book instructs readers in how to designate who gets their property, name someone to care for minor children, manage property left to them, and name an executor. The text is enhanced with icons that call attention to possible problems, provide cross references, or note the need for a lawyer. An assortment of forms for wills, affidavits, and gifts is found in the appendix. Nolo's Simple Will Book, a fixture in many collections, offers expanded coverage of issues like debt forgiveness, varied guardianship arrangements, and disinheritance. Most libraries will want to add The Quick and Legal Will Book to satisfy those patrons truly interested in the no-frills will. Joan Pedzich, Harris, Beach Wilcox, Rochester, N.Y. Copyright 1996 Reed Business Information, Inc. An excellent book for lay people. -- BusinessWeek The most streamlined, yet thorough information available on how to write a valid will quickly and safely without a lawyer. -- Long Beach Press-Telegram About the Author Denis Clifford, a graduate of Columbia Law School, where he was an editor of The Law , is a lawyer who specializes in estate planning. He is the author of many Nolo titles including Quick and Legal Will Book, Nolo's Simple Will Book and Make Your Own Living Trust and co-author of Plan Your Estate and A Legal Guide for Lesbian and Gay Couples. He has been interviewed by such major media as The New York Times, Los Angeles Times, and Money Magazine.
